

**XENOS CHRISTIAN SCHOOLS
2017-2018 FINANCIAL AID CONTRACT**

The Xenos Christian Schools Financial Aid Program offers tuition subsidy for qualifying, low-income families who attend the Calumet Campus, and who are active members in a Xenos Christian Fellowship home group. The school confirms home group membership with the leadership team of the specified home group.

If a Xenos Christian Schools family receives financial aid, by signing this form, it agrees to keep the requirements listed below to maintain that aid throughout the 2017-2018 school year. Without compliance, Xenos Christians Schools reserves the right to remove aid.

Each family is required to sign this form and complete the 2017-2018 Financial Aid Application. Please review the Xenos Christian Schools Financial Aid Program instructions in the Registration Packet to learn about completing the application, other requirements and key dates.

I, the Parent or Guardian, agree:

1. That my student, if enrolled in third to eighth grades, will maintain a "C" average or better.
2. That my student will adhere to the Xenos Christian Schools Code of Conduct.
3. To attend all Parent/Teacher Conferences and if scheduling will not allow attendance, then to discuss our student's progress with their teacher by phone.
4. To the best of my ability, volunteer in one or more of the following: grading papers, helping with student field trips, tutoring, helping the office staff or performing school maintenance.
5. That my student will arrive before the start of school and have no unexcused absences.

I understand that completed forms need to be turned in by March 31, 2017 or I will forfeit the possibility of receiving financial aid.
